Which one would you return to? For example, if someone seems uncertain about a purchase, a last-minute promo code might be enough to sway them. Note: Instant Replies are not factored into your page's response time. Facebook Messenger is Facebook's dedicated messaging app and platform. How to set up Instant Reply on Facebook Messenger: Go to your page's General Settings and select Messaging. It integrates with: Facebook Messenger Facebook Instagram Twitter WhatsApp Telegram Viber Line SMS Email Live chat Sparkcentral makes it easy to handle even high volume of messages with dedicated social customer support features: Recognizing keywords and topics in incoming messages, and assigning them to the right person or team Assessing the sentiment of incoming messages and prioritizing them accordingly Integrations with Messenger chatbots, for the perfect mix of human touch and speedy response times Retrieving CRM data to provide agents with additional context (e.g. a customer's purchase history) Tips and best practices for marketing with Facebook Messenger 1. 4. Some brands have given their bot a persona. Write a greeting A Facebook Messenger greeting is a customizable message someone receives when they open a message thread. In the Hootsuite Inbox, you can manage incoming Messenger messages alongside messages and comments from Facebook, LinkedIn and Twitter. Create a Facebook Messenger username and link You Facebook Messenger link is basically m.me/ in front of your page's username. Need some help coming up with an image? Bots can also be used for Facebook Messenger marketing experiences. Some 64% of people across age groups say they'd rather message a business than call or email. Build trust in your brand It's simple. In fact, in Facebook and Debrete's survey 37% say it's bad etiquette to over-reply to a message. Bonus: Get a free, easy-to-use Customer Service Report Template that helps you track and Your monthly efforts of customer service in one place. In addition, we included tips and best practices for your next Facebook Messenger marketing campaign. This can be useful when someone is asking about opening time or location information. And take them more beside funnel. Click instant response. Includes Basic Information as your location and your local time. Generate high quality leads when someone comes to you on Facebook Messenger. creates an opportunity for your business to accompany. Make sure Messenger is enabled on Facebook Messenger is enabled on Facebook Messenger already by when you create a business page. This can take extra time, but if you have, you can do all the difference. How to Write a Saudeience on Facebook Messenger: Go to the general settings of your page and select Messages. When adding a "name and face" to the bot, they won a 24% elevator in positive feeling. For example, Stayfree Africa uses Facebook Messenger as a safe space for customers to talk about their perch. Get the template now! Learn how to use Hootsuite's mailbox: SparkCentral by Hootsuite SparkCentral is a customer service panel that can be used to manage conversations happening on social media channels as well as email and SMS - all in a single panel. The platform supports text, voice and video messages (including video calls). 2. In a global survey directed by Facebook, more than 70% of people said they hope to be able to send business to customer service. Facebook is also a popular customer service channel for brands that have a presence on Facebook. Messenger can be proactive in helping people change the vain, track packages or even be used as a proactive marketing tool. Configure instant reply You can use instant response to ,otnorp ,otnorp revitse \*Acov odnauQ ? airehloese \*Acov lauu ,mes artuo e etropus moc aserpmu amu etrne rehloese euq revit \*Acov eS .sneqasnem savon arap acit;Amotua atsopser ariemirp amu Save. Click-to Messenger ads were used to promote Ralph in targeted regions. Unsurprisingly, once people start messaging businesses, it often becomes their top way to contact businesses. You can also select Instagram to use an Instant Reply there, too. 7. Take sensitive topics private Facebook Messenger is a good channel for conversations that are better kept private. Or, maybe a customer had a negative experience that you would rather resolve privately. Click Frequently asked questions. You can also add a call-to-action button such as eAAALearn MoreeAAa or eAAAShop Now eAAASelect Add Personalization to add details such as your customer's name, the admin's name, a link to your Facebook page or website, or your phone number. Make sure to close the conversation before the 24 hour time limit elapses. Additionally, more than 59% expect to message businesses to make purchases. That includes eAAa you guessed it eAAa Facebook Messenger. In a poll by Facebook, the majority of people who message businesses say that the option helps them feel more confident about a brand. They can appear across Facebook's family of apps. Lego products could be purchased directly from the thread, and if people liked the experience, they could share the bot with friends and family. Here are some of the different placements and formats available: Click-to Messenger Ads These ads are essentially sponsored posts with call-to-action buttons. Little things, like using someone's name, can make a big difference. If your page already has a button, you can click Edit Button to make changes. Select Edit. Messaging is now a preferred way to talk to a business when it comes to customer service. Sponsored Messages Sponsored Messages land in the inboxes of people you've chatted with before. Customers can continue conversations across any device at any time that's convenient for them. Use the details you have on hand to provide the answers answers possible. 5. When clicked on, Ralph asked questions about who you were buying for and made suggestions. Get Started Be strategic with the 24-hour messaging window Facebook limits how often a business can reach out to Facebook Messenger users. And now that the channel is open, you can. Next to Messages, make sure eAAAPeople can contact my Page privately eAAa is checked on. These ads can only be sent to existing conversations. Optional: Select Add Image to include your logo or image of your choice. Mobiles, tablets, and laptops provide the same real-time, asynchronous, and rich-media experience on your customer's terms. Personalize as much as possible A little personalization can go a long way in showing customers you value them. One way to do this is to add a Send Message call-to-action button to your Facebook posts. Benefits of using Facebook Messenger for business? Thinking about using Facebook Messenger for business? Scroll down and turn Show a Messenger Greeting on. These are a good way to re-engage with customers after the 24-hour window has elapsed with special offers or promotions. If you'd like to change your username, here's how to do it. Businesses can only contact someone after receiving a message from them first. Other times, people are one question away from making a purchase. How to add a Send Message button to Facebook posts: From your business page, select Create Post. Add this link to your social bios, website, email, or anywhere else you'd like. Press edit to customize your message. What is Facebook Messenger? To earn a badge, businesses must have a response time of less than 15 minutes, and a 90% response rate. This way your greeting includes elements such as your customer's name, your Facebook page link, your website, or your business phone number. To find it, go to the Messaging tab under General Settings.
